

**Part 1            General**

**1.1                WORK COVERED BY CONTRACT DOCUMENTS**

.1            Work on this Contract comprises demolition and disposal of the abandoned Staff house in Resolute Bay, Nunavut. The building is located on Lot 37, Block 2, Plan LTO 1381. The single storey building is a wood frame bungalow and is approximately 8m x 16m (26' x 52'). Disposal also includes the removal of debris and abandoned materials outside of the house and situated on the lot (Refer to site photos). An Environmental Site Assessment was undertaken and no hazardous materials were found to be present, other than mould on the inside of the building.

**1.2                CONTRACT PRICE**

.1            Demolish building under lump sum price contract. Contract price includes but is not limited to Tipping fees, permit fees, business licence (\$100 for General Contractors), supervision, coordination, administration, overhead and profit. Apply and pay for a Tipping Permit (copy attached) and business licence from the Hamlet of Resolute Bay.

**1.3                WORK PROGRESS**

- .1            Submit site photos to the Departmental Representative before commencing work and on completion of the work. Payment is subject to acceptable completion photos of the site.
- .2            Submit pdf copy of approved Tipping permit, prior to demolishing the building.

**1.4                WORKING TIMES**

.1            Complete work in accordance with the Municipality's bylaws and work restrictions.

**1.5                EXISTING SERVICES**

.1            There are no underground services to the building, as it has not been connected to the Resolute Bay utilidor. The house foundation is assumed to be sitting on blocks and not piles.
