QUESTION AND ANSWER:

Question 4 : In article 1.20.5 of the SOW, it is indicated that the technician must have a CCQ or Emploi Québec card in generator maintenance. Such a qualification does not exist, can you clarify your expectations?

Answer 4 : Article 1.20.5 states: "The qualification required depends on the statement of requirements. This sentence is included in all our Statement of Work. For the purposes of this statement of work, no qualification issued by the CCQ or Emploi Québec will be requested.

Question 5 : In article 1.23.5 of the SOW, the technician must have a Veeder-Root qualification. Please specify the link with the maintenance of the generators. We do not intervene on this type of equipment during generator maintenance operations and this never appears in the standard.
