Solicitation Amendment No 001 is issued to distribute responses to questions received during the solicitation period.

=====

**Questions & Responses:**

**Question 1:**

for Lathe Requirements in Section 2.5 it ask for a metal lathe that has the capacity to turn the shaft. Would a shaft straightener with precision rollers that can perform this work be acceptable instead of limiting the equipment a metal lathe.

**Response 1:**

Yes this is acceptable.

The wording contained within section 2.5 is hereby deleted in its entirety and replaced with:

“2.5

The Contractor must have access to equipment of suitable type, that has the capability to turn the shaft and support its entire length without incurring damage by grooving; “

All other terms and conditions remain the same.
