

**This document consists of questions and answers**

**Q1.** Can we apply if we don't have a company registered in Canada?

**A1.** Yes, as long as your company will meet the security requirements. There may be a requirement to store protected information within Canada. The details on this will be confirmed and included in the Request for Proposals.

**Q2.** Do you require English language tests or French as well?

**A2.** We require all tests to be in both English and French.

**Q3.** Can we share the info about the tests in a separate ZIP files or is it mandatory to fill the B.1. Table?

**A3.** Yes, you can share the information in separate ZIP files.

**Q4.** Can you advise on the accommodation needs CRA prefers?

**A4.** CRA adheres to the standards of the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines (WCAG). Please indicate which versions and levels of standards you currently comply with.

**Q5.** Can we attach the info about test and platform security, including ISO standards?

**A5.** Yes, you can.
