**Request for Proposal
for
Wide-Area Network (WAN) Provider (P) and Provider Edge (PE) router “Solution”
AMENDMENT 012**

This amendment has been raised to:

- Update Standard Clauses and Conditions
-

Modifications 013

in Part 6 Resulting Contract Clauses, Section 6.5 Delivery; DELETE in its entirety and REPLACE with the following;

6.5 Delivery

The initial delivery will be for the quantities specified in Annex B Column F only.
All the deliverables must be received on or before March 31, 2023, which is the Firm Delivery Date provided in the bid that resulted in the award of this contract.

If the Firm Delivery Date is March 31, 2023, the Contractor must ensure it contacts the appropriate delivery authorities by no later than 48 hours before the delivery to arrange delivery for March 31. If delivery is not made by the Contractor on or before 11:59pm on March 31, 2023, Canada may, at its sole option:

- a) refuse delivery (which may involve returning the shipment to the Contractor at the Contractor's sole cost) and terminate the contract for default, without providing any opportunity to cure.
The Contractor must ensure that all shipments clearly show the P2P Requisition number and the Contract on packing slips. The Contractor must also provide a two-day advance notice of all the shipments to the delivery contact.

b) Annex C – Statement of Requirements

In the case that the bidder/supplier does not meet requirements in Annex C - line item 3.26 within 15 months of Contract Award, Canada reserves the right to not proceed with the acquisition of the remaining components of the proposed Solution as detailed in the Contract. Canada reserves the right to refuse pending deliveries already contracted with no requirement to financially compensate the contractor. Canada also reserves the right to terminate the Contract and enter into a Contract with the Bidder whose proposal was evaluated to be the next best.

ALL OTHER TERMS AND CONDITIONS REMAINS THE SAME
