AMENDMENT 001

This amendment is raised to:

- A) Answer questions from bidders;

A. QUESTIONS AND ANSWERS

- Q1** Regarding section 01 29 00 item 1.2 Measurement and payment. Please clarify what is required of the contractor for “provision and maintenance of detours”.
- A1.** The contractor is required to provide traffic control, temporary detour, or construction signage to allow access and egress for visitors and staff from the Fortress site through the roadway adjacent to the work area.
- Q2** Regarding section 01 29 00 item 1.2 Measurement and payment. Please clarify what is required on this project for “special project features including cultural resource protection”
- A2.** The contractor must not drive, park, work, or disturb any existing area outside of the work area due to cultural resources. The access road must be padded with gravels to protect the land possible cultural resources. All laydown must be contained in the gravel parking area across the road from the installation site.
- Q3** Please clarify the scope of work, if any, that is required for independent 3rd party testing on this project.
- A3.** No 3rd party testing is required on this project.
- Q4** Will the park be in operation during the construction?
- A4.** Yes, the park will be open for staff and visitors 9am - 4:30pm Monday - Friday.
- Q5** Are there any limitations regarding access to the site that the contractor should be aware of?
- A5.** Site gate opens at 6:45am and closes at 5pm daily. Additional work hours are possible on request.
- Q6** Will the PK Service road be closed to traffic where the work is being completed?
- A6.** No, the PK Service road will be in full use by staff and visitors during the work. It is the only access and exit point for the fortress and MUST be kept open 24/7.

ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED
