**RFP No. CNT-2022P05**  
**INDOOR/OUTDOOR HOUSEKEEPING & JANITORIAL SERVICES FOR THE CN TOWER**

**Addendum 8.0 – Issued September 2, 2022**

**3.4.15 Pricing** is removed from the RFP document and replaced with the following:

“

<p><b>3.4.15 Pricing</b></p> <p>Pricing is to be set out in a completed version of the Pricing Schedule. Failure to complete the Pricing Schedule in full and in accordance with the instructions contained in that schedule may result in a lower score (or a zero score), as deviations may render it difficult for the Company to evaluate Proponent’s pricing relative to each other and to the Company’s needs.</p> <p>The Proponent is to prepare its Proposal with reference to all of the provisions of the Form of Agreement Schedule, and to factor all of the provisions of the Agreement into its pricing assumptions, calculations and into its proposed pricing.</p>	<p>45</p>	<p>Each Proponent will receive a percentage of the total possible points allocated to price based on how their price ranks in comparison to other submissions on a scale of lowest to highest with the Proponent submitting the lowest price receiving 100% of the available points. For each level in the ranking the points will reduce by 10% of the available points. For example the second lowest price will receive 90% of the available points, the third lowest price will receive 80% of the available points, and so on. If more than ten (10) Proponents participate in the RFP it may be possible for the highest priced Proposals to receive zero (0) points on this criterion.</p>
