

## APPENDIX A

### PRICE AND DELIVERY FORMS - INTRODUCTION SHEET

#### NATIONAL CAPITAL COMMISSION LAND MOBILE RADIO SYSTEM

#### Request For Proposal - Reference No. SS007

1. These Price And Delivery Forms, including these notes, shall be used by Bidders in conjunction with the RFP and Specifications. These Forms are contained within this single electronic file in multiple worksheets (tabs), and Bidders shall complete all price forms (worksheets), and sign, date, and provide corporate information where required.
2. The layout and wording of these Forms as provided to Bidders shall not be modified, except where specifically instructed by NCC.
3. All prices shall be valid for a period of not less than 120 days from the RFP closing date.
4. All prices shall be for all design, supply, and installation of all technology and materials for the complete turn-key system and shall include:
  - a) complete staging, testing, and acceptance at the Contractor's facility prior to shipping.
  - b) shipping to all sites and facilities.
  - c) installation, testing, system acceptance and commissioning
  - d) decommission and removal of existing system
5. If unit quantities are indicated for some items as assistance to the Bidders, Bidders shall verify, change, and enter (where not previously entered) ALL quantities to ensure all quantities are accurate and as required by the Specification.
6. Please state quantity of each item included in Lot Price as applicable .
7. If any items (equipment, materials, services, etc.) are included as INTEGRAL COMPONENTS of other items, please identify with "Incl. In Item \_\_\_ Above" in Equipment Price column.

**Request For Proposal - Reference No. SS007**

8. Failure to state unit prices where applicable may be cause for rejection of a proposal.
  9. Bidders shall immediately notify NCC of any discrepancies / conflicting information that the Bidder identifies in the worksheets.
  10. NCC reserves the right to require the Bidders to break out specific unit quantities and prices as required by NCC
  11. Do not enter prices or make changes to the columns or cells in blue shading. These shaded columns are for automatic tabulation of prices.
  12. If any items are not applicable, please identify with "N/A" in the Equipment Price column.
  13. Specify line item prices where requested. Bundling of prices where line item prices are requested, is prohibited.
