RFP No. CNT-2022P05

INDOOR/OUTDOOR HOUSEKEEPING & JANITORIAL SERVICES FOR THE CN TOWER

Addendum 13.0 – Issued September 9, 2022

3.4.15 Pricing is removed from the RFP document and replaced with the following:

“

<p>3.4.15 Pricing</p> <p>Pricing is to be set out in a completed version of the Pricing Schedule. Failure to complete the Pricing Schedule in full and in accordance with the instructions contained in that schedule may result in a lower score (or a zero score), as deviations may render it difficult for the Company to evaluate Proponent’s pricing relative to each other and to the Company’s needs.</p> <p>The Proponent is to prepare its Proposal with reference to all of the provisions of the Form of Agreement Schedule, and to factor all of the provisions of the Agreement into its pricing assumptions, calculations and into its proposed pricing.</p>	<p>45</p>	<p>Only the Proponents who reach the Oral Presentation stage will move on to the Pricing Evaluation. Of those 5 Proponents, each will receive a percentage of the total possible points allocated to price based on how their price ranks in comparison to other submissions on a scale of lowest to highest with the Proponent submitting the lowest price receiving 100% of the available points. For each level in the ranking the points will reduce by 20% of the available points. For example the second lowest price will receive 80% of the available points, the third lowest price will receive 60% of the available points, and so on.</p>
