The Solicitation Amendment 003 is raised to issue Question(s) & Answer(s) to the solicitation.

Q1) With regards to Item #3 on the qualification form, are we allowed to provide municipal road building experience in lieu of Forest Service Road experience? It is our opinion that since this is a rehabilitation and there is limited new road construction, experience with municipal roads should be an acceptable alternative. Both road structures are similar in design, it is merely the types of vehicles and ownership that is different.

A1) Yes, experience with municipal roads as an acceptable alternative.

All other terms and conditions remain unchanged.
