Description of the Requirement:

Natural Resources Canada is seeking Business Consultants under the Business Consulting/Change Management Stream to assess the relevance and performance (i.e., effectiveness, efficiency, and economy) of the SGP & ERPP. It will be conducted in accordance with TBS Policy on Results (<https://www.tbs-sct.canada.ca/pol/doc-eng.aspx?id=31300>). The evaluation will cover the period of 2018-19 to 2022-23 (as current as possible). It is being undertaken in response to a Treasury Board commitment for NRCan to complete an evaluation to inform future programming and comply with section 42.1 of the Financial Administration Act (FAA)[1] (<https://laws-lois.justice.gc.ca/eng/acts/f-11/>).

Level of Security Requirement:

1. The contractor/offeror must, at all times during the performance of the contract/standing offer, hold a valid facility security clearance at the level of **secret**, issued by the Contract Security Program (CSP), Public Works and Government Services Canada (PWGSC)
2. The contractor/offeror personnel requiring access to **protected/classified** information, assets or sensitive work site(s) must **each** hold a valid personnel security screening at the level of **reliability status or secret** as required, granted or approved by the CSP, PWGSC
3. The contractor/offeror **must not** remove any **protected/classified** information from the identified work site(s), and the contractor/offeror must ensure that its personnel are made aware of and comply with this restriction
4. Subcontracts which contain security requirements are **not** to be awarded without the prior written permission of the CSP, PWGSC
5. The contractor/offeror must comply with the provisions of the:
 - a. Security Requirements Check List and security guide (if applicable), attached at Annex C.
 - b. Contract Security Manual (latest edition)
