

ACAN – American Sign Language (ASL) Psychology Services, Ontario Region

An advanced contract award notice (ACAN) is a public notice indicating to the supplier community that a department or agency intends to award a contract for goods, services or construction to a pre-identified supplier, thereby allowing other suppliers to signal their interest in bidding, by submitting a statement of capabilities. If no supplier submits a statement of capabilities that meets the requirements set out in the ACAN, on or before the closing date and time stated in the ACAN, the contracting officer may then proceed with the award to the pre-identified supplier.

1. Definition of the requirement:

The Correctional Service of Canada (CSC) Health Services require the services of a psychologist for offenders within the Ontario Region. The psychologist will provide recommendations as to psychological care services for American Sign Language (ASL) offenders for the Ontario Region. The psychologist will collaborate with the interdisciplinary health services team that includes, but is not limited to nursing, psychology, social work, occupational therapy and other allied healthcare professionals.

The work will involve the following:

1.1 Objectives:

The Contractor, as a psychologist, must provide consultation up four times per year as to the interdisciplinary team on essential mental health services to ASL offenders in the Ontario Region.

1.2 Tasks:

The Contractor must provide recommendations as to the delivery of mental health services to ASL offenders with serious mental illness, as requested by the Project Authority, in accordance with the National Essential Health Services Framework including any amendment to this Framework issued by CSC during the contract period and any optional period if and when exercised by CSC.

These services include, but are not limited to the following:

- a) Assess individual offenders;
- b) Provide consultation to other health care providers to ensure continuity of care. Provide consultation and advice on mental health services to the mental health team, or institutional management, or both as requested;
- c) Provide educational sessions as requested.

Psychological Assessment Services:

- a) The Contractor must prepare and submit assessment reports within 10 days of the interview or at the date agreed upon with the Project Authority or their delegate.
- b) The Contractor must submit all assessment reports in a typewritten format. Assessment reports will not normally exceed five pages in length.

The Contractor must visit the incarcerated offender(s) as requested by the Project Authority.

1.3 Expected results:

The Contractor must provide an assessment report with recommendations that will assist in the provision of care to the patient. The Contractor must also provide consultation services to the interdisciplinary health care team in association with the assessment and findings. The assessment report must be in accordance with policy, institutional mental health guidelines, and the contractor's standards of professional practice.

1.4 Performance standards:

The Contractor must take into cultural, and linguistic differences of the patient.

The Contractor must provide services in accordance with the ethical and professional practice standards of the applicable College of Psychologists of Ontario.

Compliance with provincial/national guidelines

The Contractor must provide all services in compliance with federal and provincial legislation and standards, provincial and national guidelines, practice standards and CSC Policy/Guidelines and including the CSC Mental Health Policy and guidelines.

The Contractor is expected to consult with the Project Authority to ensure that all health practices are consistent with the relevant and most current legislation, practice standards and policies.

The following is a list of key relevant legislation and CSC Policy/Guidelines but should not be considered an exhaustive list. CSC's policies and guidelines can be found on the CSC internet website at www.CSC-SCC.GC.ca or available in hard copy.

- Corrections and Conditional Release Act - Section 85 Health Care
- Corrections and Conditional Release Regulations – Section 3
- Commissioner's Directive 800, Health Services
- 800-5 Gender Dysphoria
- Commissioner's Directive 843, Interventions to preserve life and prevent serious bodily harm
- National Essential Health Services Framework
- National Formulary
- Documentation for Health Services Professionals
- Guidelines for Sharing Personal Health Information
- Discharge Planning Guidelines: A Client Centred Approach
- Clinical Discharge Planning and Community Integration Service Guidelines
- Integrated Mental Health Guidelines
- Mental Health Services Delivery Guidelines.

Documentation on CSC Electronic Health Care Records:

- a) The Contractor must provide a written summary following each session. The document must reference all information relevant to the mental health services recommended to the interdisciplinary team for the management of the offender. The document the Contractor provides must meet relevant legislation, professional standards of practice and CSC's Documentation for Health Services Professionals guidelines.
- b) As an accountability and quality assurance measure, the Project Authority, in collaboration with the Regional Psychology Lead, will periodically review the Contractor's documentation for compliance with contract requirements, consistency and completeness.
- c) The Contractor must obtain prior approval, in writing, from the Project Authority before collecting any data on inmates. The Contractor must specify what data would be collected and for what purpose.

1.5 Deliverables:

1.5.1

The Contractor must provide an assessment report with recommendations that will assist in the provision of care to the patient. The Contractor must also provide consultation services to the interdisciplinary health care team in association with the assessment and findings. The assessment report must be in accordance with policy, institutional mental health guidelines, and the contractor's standards of professional practice. The length of the report must be consistent with standards of practice. Generally, the report must include file review, consent, clinical interview, testing, scoring, results, and recommendations.

1.5.2 Paper consumption:

- a. Should printed material be required, double sided printing in black and white format is the default unless otherwise specified by the Project Authority.
- b. The Contractor must ensure printed material is on paper with a minimum recycled content of 30% and/or certified as originating from a sustainably managed forest.
- c. The Contractor must recycle unneeded printed documents (in accordance with Security Requirements).

1.6 Constraints:

1.6.1 Location of work:

- a. The Contractor must provide services in person or via video conference, as requested by the Project Authority, at the locations indicated under b.

b. Travel

Travel to the following locations will be required for performance of the work under this contract:

- Collins Bay Minimum/Medium/Maximum Institutions
- Bath Institution
- Millhaven Institution
