Amendment 001 is raised to:

- 1. Answer bidder questions;**
- 2. Amend Section 6.4.1. Delivery Date**
- 3. Amend Annex "A" section 2.6 Locker Requirements and Features; and**
- 4. Amend Annex "B" Basis of Payment; and**
- 5. Amend Annex "D" Mandatory Technical Evaluation**

1. Bidder Questions and Answers

Q1) Re: the width for lockers AL1 and DL1, the ask is for an overall width of 12" wide and 18" deep on pg 19 section 2.6.2.1.1 and section 2,6.2,1,2, but you also ask for the interior shelf section not including the wardrobe to have an internal clear width of 12" Pg 20 section 2.6.2.7.4.

Due to the thickness of the materials required to construct the case, it is impossible to meet both of these specifications. Please clarify the required widths.

A1) Please see corrections to widths below:

- AL1, DL1 and DL3 locker overall dimensions should all be 381mm / 15" wide x 457.2mm / 18" deep.
- 2.6.2.7.4. Locker storage compartment section with shelves must have a minimum interior clear width of 305mm (12") with an allowable size tolerance: 25.4mm (-1").

Q2) Section 2,6.2.4 requests venting for continuous natural air flow without visible door vents. As these units are against a wall, will a ceiling vent be acceptable or is the request to have vents in the sides so that the air flows throughout the lockers?

A2) Either solution is acceptable as long as the solution works with the Filler panels, end panels, toe kicks & tops as shown in Appendix 1

Q3) Section 3.2.1 requests a delivery of October 31, 2022. As this bid request closes on Sept. 29, 2022 and requires time for bid evaluation, this date is not realistic. Please advise an alternate date.

A3) We will change the requested delivery date to November 30. This date is requested only and suppliers are to provide their best delivery date in the response to 6.4.1.

Q4) Could you let me know if these lockers are to all be laminate or metal? There seems to be conflicting wording.

A4) This requirement information is included in the ANNEX D, MANDATORY TECHNICAL EVALUATION Table: 2.5 Materials 2.5.1 & 2.5.2. Note: 2.5.1 includes the option to provide all laminate lockers OR metal lockers with laminate doors.

2. Amend Section 6.4.1. Delivery Date

DELETE: in its entirety

INSERT:

6.4.1 Delivery Date
