

**SOLICITATION NUMBER: 5000049085**

**QUESTIONS AND ANSWERS SERIES – 009**

**Q48.** For preparing an Offer, can you provide some clarification for the questions below?

- 1) Should we modify the word document with the respective 5 amendments published so far or can we submit our Offer with the original template from 5000049085 rfso en final July 21 2022.docx without updating the documents with the respective amendments?
- 2) Would you have an updated version of the original RFSO published, that would have been already updated with the respective 5 amendments, so we are certain of not having made incorrect updates in the original form?

**A48.**

- 1) It's up to the Offeror if they want to update the word document. Resources will be evaluated against the final version of the criteria which includes all the amendments.
- 2) A final updated version is not posted.

**Q49.** In regard to Stream 1, Stream 2, and Stream 3: In the case that the offeror submits separate offers for multiple resources, if one resource is considered non-responsive (due to not meeting mandatory criteria or minimum points-rated criteria, or for any other reason) would this render separate offers for other resources on behalf of the same offeror non-responsive as well?

**A49.** Each Resource will be evaluated individually and ranked individually using the identified selection methodology to determine the ranking of the Offers/Resources. Please refer to section 1.2.2.
