-------------	---	--------------------

ITEM 1: DELETE all reference to Saskatchewan demolition project.

DELETE pages 5 to 7 from the original INVITATION TO QUALIFY (ITQ) and **INSERT** revised pages 5 to 7.

PHASE ONE QUALIFICATION FORM

PROJECT DESCRIPTION:

Correctional Service Canada (CSC) has a requirement to upgrade the fire alarm system at the Drumheller Institution in Drumheller, Alberta. The scope of work includes the following:

1. Supply and installation of a new fire alarm system to replace the existing in approximately 14 buildings. The work includes commissioning and third party verification of all equipment and devices.
2. Provision of new communication network cabling and connection to the existing fire alarm system network, using the existing power supply systems for all new fire alarm panels.
3. Programming, commissioning and verification of programming changes on the central monitoring stations to monitor the new network and associated end devices. All devices in the new fire alarm system are to be addressable and assigned an address.

All work to be coordinated with CSC to maintain the facility as fully operational. The contractor must complete the work within 39 weeks from the date of notification of acceptance of the offer.

CONDITIONS TO QUALIFY:

At Phase One closing, the supplier must:

- a) comply with the following Mandatory Requirements; and
- b) provide the necessary documentation to support compliance.

Mandatory Requirement:

Suppliers must provide two (2) reference projects undertaken by the supplier within the last 5 years relative to the upgrade of fire alarm systems. The supplier is requested to use the tables in the ITQ to provide the response(s).

Failure by the supplier to provide the required documentation in Phase One will result in the supplier being disqualified and no further consideration will be given to the supplier and the submission will be deemed non-responsive.

BASIS OF QUALIFICATION:

A qualification submission must comply with the mandatory requirements to be declared responsive in Phase One.
