This document is issued to answer questions from bidders regarding Innovation, Science and Economic Development Canada RFP # ISED204290. ALL TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.

Question No. 1:

With respect to future procurement opportunities as it pertains to GNSS Disruptions Monitoring and Alerting System: Can Canada confirm that the successful bidder of ISED204290 will not be precluded, disqualified or considered ineligible to compete in future RFP(s) of a GNSS Disruption Monitoring and Alerting System/Solution required for Canada?

Answer No. 1:

The successful bidder of ISED204290 would not be precluded from participating in subsequent tender opportunities related to a GNSS Disruption Monitoring and Alerting System for Canada.

Question No. 2:

With respect to the rated criteria, RT2, item c) Conducting cost/benefits analysis: Can Canada confirm its intent is indeed a cost/benefit analysis and not a benefit realization analysis?

Answer No. 2:

The intent of Rated Criteria RT2, item c) is to evaluate the Business process Consultant's experience in conducting analysis as per section 4.2.4 of the Statement of Work: "Investment Worthiness". Experience in conducting Cost/Benefit analysis or Benefit Realization experience will be treated as equivalent.
