The amendment to the bid solicitation is to address the enquiries received:

Response(s) (R) to Question(s) (Q):

- Q2. In the RFP, Attachment 1 to Part 4, under the Point Rated Criteria - R3 Project Team Experience and R4 Project Managers Experience. Can the proponent use the same projects for both R3 and R4?
- R2 Yes, the proponent can use the same projects for both R3 and R4, as long as they meet the specific experience requirements outlined in R3 and R4
- Q3. In the RFP, under Part 4, Evaluation Procedures and Basis of Selection under 4.2 it states that the experience described in the bid must be the experience of the Bidder itself (which includes the experience of any companies that formed the Bidder by way of a merger but does not include any experience acquired through a purchase of assets or an assignment of contract). The experience of the Bidder's affiliates (i.e. parent, subsidiary or sister corporations), subcontractors, or suppliers will not be considered. Can the proponent use an individual's relevant experience with another company for R4?
- R3 Yes, the proponent can use an individual's relevant experience with another company for R4, as long as they meet the specific experience requirements outlined in R4. **Note:** the experience requirement for R4 is specific to the proposed Project Manager.

All other terms and conditions of the Bid Solicitation remain the same.
