The following changes to the tender documents are effective immediately. This amendment will form part of the contract documents.

Amendment 003 is issued for the following:

- (1) Bidders' Question and Response.

(1) Bidder Question & Answer

Please replace "QUESTION # 1" in Amendment 002 with "QUESTION # 4".

QUESTION # 5: I have reviewed the project details and specifications found on Construct Connect and noticed that only SBS modified Bitumen membranes were specified and acrylic options were not included. I would like to request an addendum to be issued to include the family of 3M 3015 Primerless Acrylic Self Adhering Air & Vapour Barriers.

ANSWER # 5: We are not accepting requests for alternate materials for this scope of work during the tender period.

QUESTION # 6: Please consider this email as our request to open a CPC Connect conversation in order to submit our bid for the above project. We simply need someone from your department to initiate a CPC Connect conversation for us to submit the bid for later.

ANSWER # 6: Please email tpsgc.pareceptiondessoumissions-apbidreceiving.pwgsc@tpsgc-pwgsc.gc.ca. **Note:** Bids emailed directly to this email address will be rejected and deemed non-compliant. This email address is to be used to open an CPC Connect conversation, or to send proposals through a CPC Connect message if the Bidder is using its own licensing agreement for CPC Connect. Please see SI06 SUBMISSION OF BID of the Invitation to Tender for further details.
