AMENDMENT NO. 006

This amendment is raised to answer bidders' questions:

QUESTIONS AND ANSWERS

Question 18:

In Reference to MTC1 (f) where Bidders are asked to map at least 70% of the SOW tasks of the identified resource category..."For the same resource category, Canada will automatically consider the referenced resource category, procured through the TBIPS contracting vehicle, to be 70% aligned with the SOW tasks of this requirement." Please confirm that when Bidders are demonstrating Contract References using the same resource categories they are not required to use Form M1-3 and map the SOW tasks?

Answer 18:

When Bidders are demonstrating Contract References using the same resource categories, **procured through the TBIPS contracting vehicle**, they are not required to use Form M1-3 and map the SOW tasks.

Question 19:

Mandatory Technical Criterion MTC1 requires bidders to demonstrate the provision of 2 ERP Functional Analysts or similar resources. Considering the additional constraints placed on this requirement (120 billed days within the last 3 years, on a \$5M contract, with a client attestation) would the Crown please relax this requirement and allow bidders to submit 1 ERP Functional Analyst, thereby demonstrating their ability to provide the required resource type?

Answer 19:

Your recommendation was considered but the criterion remains unchanged.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.

NOTE: A BID ALREADY SUBMITTED MAY BE AMENDED PRIOR TO THE CLOSING DATE. AMENDING CORRESPONDENCE MUST ADDRESS THE SOLICITATION NUMBER AND THE CLOSING DATE. BIDS MUST BE SUBMITTED ONLY TO THE PUBLIC WORKS AND GOVERNMENT SERVICE CANADA (PWGSC) BID RECEIVING UNIT VIA CANADA POST CORPORATION (CPC) CONNECT.

For bidders needing to register with CPC Connect the email address is:
tpsgc.pareceptiondessoumissions-apbidreceiving.pwgsc@tpsgc-pwgsc.gc.ca.

Interested Bidders must register as early as possible, and in any case, at least six business days prior to the solicitation closing date and time (in order to ensure a response). Requests to open an CPC Connect conversation received after that time may not be answered.
