ANNEX B – [QUESTIONS & ANSWERS]

# Reference	Question	Answer
1	Annex B – Schedule 1 – Security Obligations appears to be missing, can it be provided?	Security Obligations have been included through amendment 001. Please refer to the solicitation attachments for the updated Security Obligations.
2	Can the Request for Information (RFI) be extended?	The Request for Information has been extended to November 30, 2022
3	Can we assume that all negotiated terms and conditions in the current agreements will be ported to the new agreement?	The Intent of the Request for Information (RFI) is to standardize how the Government of Canada procures Cloud Services. Canada requests that suppliers review in the context that future requirements may utilize these terms.
