## **Amendment 002**

This amendment is raised to answer questions from bidders.

### **A. Questions and Answers**

**Q4.** Bids are only being received by email or fax, so how does bid security by bank draft work?

**A4.** Bidders using a bank draft for bid security must include a scanned copy or faxed copy of their bank draft with their bid submission prior to the submission deadline. If they are the successful bidder, they will be notified and further instructions will be provided on how to submit the bank draft to Parks Canada.

**Q5.** Is it possible to remove the requirements on the 50% L&M payment bond and the 50% performance bond?

**A5.** Parks Canada will not remove the contract security requirement from this solicitation; however, please note that contract security is only required from the successful bidder after award. As well, please refer to GC9.2 Types and Amount of Contract Security in the following link for additional options for contract security aside from the performance bond and labour and material payment bond: [GC9 - Contract Security](#). Note that bid security is still required at the time of bid closing.

**ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED.**
