**Questions and Answers 21**

**Question # 21:**

Given the most recent amendments to the solicitation document, in particular, the removal of the phone lines requirement. Where in Annex B should the bidder include the costs of running the simultaneous interpretation delivery platform (through phone lines or other previously agreed-upon mediums)? Should that be included under Set Up in Table 2 of Annex B or somewhere else?

**Answer # 21:**

Please make sure to include the costs of running the simultaneous interpretation delivery platform wherever you think it's the most appropriate, as long as this cost is included in your total amount.
