### 5.2.2 Security Requirements – Required Documentation

In accordance with the [requirements of the Contract Security Program](http://www.tpsgc-pwgsc.gc.ca/esc-src/introduction-eng.html) of Public Works and Government Services Canada (<http://www.tpsgc-pwgsc.gc.ca/esc-src/introduction-eng.html>), the Offeror must provide a completed Application for Registration (AFR) form to be given further consideration in the procurement process.

Offerors are reminded to obtain the required security clearance and, as applicable, security capabilities promptly. As indicated above, offerors who do not provide all the required information at bid closing will be given the opportunity to complete any missing information from the AFR form within a period set by the Contracting Authority. If that information is not provided within the timeframe established by the Contracting Authority (including any extensions granted by the Contracting Authority in its discretion), or if Canada requires further information from the Offeror in connection with assessing the request for security clearance (i.e., information not required by the AFR), the Offeror will be required to submit that information within the time period established by the Contracting Authority, which will not be less than 48 hours. If, at any time, the Offeror fails to provide the required information within the timeframe established by the Contracting Authority, its bid will be declared non-compliant.
