Questions and Answers # 5

Question #1: Per Amendment 3 CAT6A Item 3 and the desired layout, the GoCUID should be 6MVCGNVSCL42138WYYX, please update to ensure the correct SA technical specifications are supplied.

Answer #1: We have changed item 3 from Subcategory 6A to GoCuid 6MVCGNVSCL42138WYYX. The client also accepts post legs as an alternative base type (GoCuid 6MVCGNVSLL42138WYYX). Please refer to amendment 004 for this change.
