**Amendment 001 is raised to:**

- 1. Answer bidder questions**
- 2. Amend Annex "A"**

**1. Bidder Questions and Answers**

Q1. Re. CAT 6-G11 Item 70, will the CA also respectfully accept an overall width of 78", it is the widest SA sofa we have that meets all the other requirements.

A1: Yes a 78" width will be acceptable.

Q2. Re. CAT 6-G11 Item 71:

- i. Please remove the requirement for the frame to be powder coated and extend halfway up the arm that also wraps around the back, this is not an SA specification and is an aesthetic design-only feature that is manufacture specific and is not a general functional feature that can't be achieved by other construction styles.
- ii. Will the CA respectfully also accept a pedestal base?

A2: This chair has been moved into a new part, Part 12-C. See changes below.

Frame can be powder coated or chrome. Four leg chair required; pedestal base will not be accepted.

Q3. Re. CAT 6-G11 NSA Item 73, will the CA also respectfully accept a depth of 30" if all other requirements are met?

A3: Yes a 30" width will be acceptable.

Q4. Re. CAT 6-G29 Item 108, due to the modification that alters the SA specifications please move this item to Non-SA or accept the standard SA specifications.

A4: We have removed 'equivalent to with modification' from the description. Stool description falls within SA requirement.
