2-6.1 Additional Optional Site Visit

It is recommended that Bidders who intend to submit a bid participate in a vessel viewing.

The Vessel Viewing will be held in Sydney, BC at 9:00 am (PST) on November 15, 2022. Registered participants will be provided additional details regarding meeting logistics. If all registered participants arrive before the stated time, then the Vessel Viewing may commence early.

The Vessel Viewing will be of a limited duration as determined by the Contracting Authority during the Vessel Viewing. All participants will be required to immediately disembark the vessel upon the termination of the Vessel Viewing.

Bidders are requested to register the name(s) of the person(s) who will be attending the Vessel Viewing by e-mailing the Contracting Authority. The Vessel Viewing will be cancelled if no Bidders register by 2:00 pm (PST) on November 14, 2022.

Bidders who do not attend or do not send a representative will not be given an alternative appointment but they will not be precluded from submitting a bid.

The Contracting Authority, Technical Authority, and ship staff will not provide answers to questions during the Vessel Viewing. Bidders are invited to e-mail their questions to the Contracting Authority after the Vessel Viewing.

Participants may be required to present valid government-issued photo identification and sign attendance sheets. Participants must comply with all regulations, instructions and directives in force on the site and vessel.

Any clarifications or changes to the bid solicitation resulting from the Vessel Viewing will be included as an amendment to the bid solicitation.

Due to the vessel's mandate and operational needs, the vessel may be unavailable for some or all of the time allotted to the Vessel Viewing with little or no notice. The Bidder is responsible for all of its expenses associated in participating in the Vessel Viewing.

All other terms and conditions remain unchanged.
