

**Question #1:**

Could you please provide the vesa mount size and weight of the monitors? A model number would also be ideal.

**The specifications are mentioned in product table 1 of the bid solicitation. The maximum weight per monitor is twenty-two pounds.**

**Question #2:**

Could you clarify what is being requested in the section regarding NSA products? It references Annex D but there is no Annex D on the form.

**On page 7 - Table 1 – Product Table, the NSA section was left blank; no NSA products are being requested for this solicitation.**
