Canada will make available Notices of Proposed Procurement (NPP), bid solicitations and related documents for download through the Government Electronic Tendering Service (GETS) at <https://canadabuys.canada.ca/en/tender-opportunities> . Canada is not responsible and will not assume any liabilities whatsoever for the information found on websites of third parties. In the event an NPP, bid solicitation or related documentation would be amended, Canada will not be sending notifications. Canada will post all amendments, including significant enquiries received and their replies, using GETS. It is the sole responsibility of the Bidder to regularly consult GETS for the most up-to-date information. Canada will not be liable for any oversight on the Bidder's part nor for notification services offered by a third party.

Indigenous Procurement:

The federal Indigenous Business Directory (IBD) is an online resource for all levels of government and the private sector to identify Indigenous business capacity. Having a business profile in the IBD will increase your company's visibility and may provide additional business. A profile in the IBD can also allow you to compete for federal government contracts that are set-aside for Indigenous businesses through the Procurement Strategy for Indigenous Businesses.
