AMENDMENT 004 is hereby issued to amend the RFP with the following items:

Respond to Questions 7;

Q7: For amendments #2 and 3, quantities and locations for the Tables and Storage lockers have changed, but the installation tables have not been modified to reflect these changes. Neither have the bid evaluation sheets for each category been modified to reflect the changes in quantities.

Please revise all of the Cat 2 product, delivery, installation and evaluation tables to reflect the final revised quantity and location changes.

Please revise all of the Cat 3 product, delivery, installation and evaluation tables to reflect the final revised quantity and location changes.

We cannot complete the bid pricing as it stands now in the format provided (too much missing information).

Please advise ASAP.

A7: Installation Tables remain unchanged.

For Category 2 – Table 3 - Installation, OSFI is only asking for 30 Height Adjustable tables to be installed in Ottawa. OSFI's intent is to keep the balance in stock, unassembled.

For Category 3 – Table 6 – Optional Installation, no quantities are specified in this table. This implies all quantities from the Product and Delivery tables are to be installed.

All other terms and conditions remain unchanged.
