## BIDDERS' QUESTIONS AND RESPONSES FROM CANADA

**Question 1:** Can you confirm number of pers taking the training for the first session?

**Response 1:** We are looking for no less than 6 students, with up to 2 observers from the unit who have already done this training to act as "proctors". If there is the capability to add a up to two more students with no additional cost, we would be interested in max filling.

**Question 2:** What would be sufficient to display that we have the required facilities? We would typically book the facilities once under contract.

**Response 2:** The Bidder must describe the facilities they will provide and explain the assurances they have received that the facilities will be available if they are awarded the Contract.
