## **Amendment 002**

This amendment is raised to:

- A. Correct answers to questions from bidders;

### **A. Questions and Answers**

**Q24.** Is there a Landing zone for helicopter to drop off fuel?

**A24.** One helipad will be cut within ~~Unit 1~~ **Unit 2**. No other helipads are yet designated, but there are many natural open areas that may be suitable for drop-off.

**Q41.** The cutting specifications for heli landing pads are in the prescription however I don't see heli-landing pad locations on the map. Please confirm the location of these pads.

**A41.** This was an oversight and the map is now corrected, please see DSP2\_22-0193. There is one heli-spot landing pad in ~~Unit One~~ **Unit 2** located on a flat Lodgepole pine bench.

**ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED.**
