Title:
Backcountry Shelters Design, Banff National Park

Amendment 001

This amendment is raised to provide responses to bidder questions.

A. Questions and Answers

Q1. Is the intention to tender the construction a part of this project?

A1. As per *APPENDIX C – PRIME PROPOSAL FORM* referenced from *A&E RFP – 22-0199/A&G DDP – 22-0199* apart of the tender package, the goal of this project is to retain an architect to fulfill the required design services with construction support services being optional. The construction of the shelters is to be tendered separately at a later date.

Q2. If I were to put a proposal together for this RFP would it exclude our company for bidding on the actual construction?

A2. If you were to be a successful proponent for this design RFP it would exclude you from being able to bid on the future public construction tender. Please reference section 3.5 *SCHEDULE* from the *EN SOW – 22-0199/FR SOW - 22-0199*. Furthermore, if you are an unsuccessful proponent for this RFP you are welcome to bid on the future public construction tender.

ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED.
