Description of the Requirement:

Fisheries and Oceans Canada (DFO) requires the services of one (1) Senior Facilitator Consultant for Marine Planning and Conservation meetings (MPC).

The purpose of the meetings range from strategic planning at the director level to developing an integrated work plan at the manager/practitioner work plan to ensure consistency and communication between the many directorates in Aquatic Ecosystems. The meetings also aim to connect managers, directors and stakeholders across the country on a variety of important marine conservation and protection topics. This contract will also support ad hoc facilitation requirements for other marine planning and conservation topics for other teams in MPC.
