

## QUESTIONS AND ANSWERS – SERIES 4

Q1. As you know, the supply chain is in a challenging spot these days. In the RFP you are requesting pricing schedules for an extended period of time which has obviously implications with stock pricing etc. changing so much. We can't provide pricing for extended periods of time.

Can we provide pricing for the contract period and include clauses (like the current contract we have) identifying that pricing will vary based on evidenced paper escalations, IPPI etc.

A1. Bidders are only required to submit pricing for the Initial Contract Period (From date of contract to March 31, 2025).

The following updates have been made to the Request for Proposal:

### Change 1

Attachment 1 to Part 3 – “Pricing Schedule” has been replaced entirely by the attached.

### Change 2

Part 4 - Evaluation Procedures and Basis of Selection, 4.1.2 Financial Evaluation, 4.1.2.1 Mandatory Financial Criteria has been replaced entirely by the following:

#### **4.1.2.1 Mandatory Financial Criteria**

The price of the bid will be evaluated in Canadian dollars, Applicable Taxes excluded, FOB destination, Canadian customs duties and excise taxes included.

\*Bidders are only required to submit pricing for the Initial Contract Period (From date of contract to March 31, 2025).

\*Pricing for Option Period 1, Option Period 2 and Option Period 3 (April 1, 2025 to March 31, 2028) will be in accordance with Statistics Canada's posted Consumer Price Index (CPI): [Consumer Price Index, annual average, not seasonally adjusted \(statcan.gc.ca\)](https://www150.statcan.gc.ca/n1/pub/2642701/2023001/article/00001-eng.htm)

### Change 3

Part 7 - Resulting Contract Clauses, 7.7 Payment has been replaced entirely by the following:

#### **7.7 Payment**

##### **7.7.1 Basis of Payment - Firm Lot Prices**

In consideration of the Contractor satisfactorily completing all of its obligations under the Contract, the Contractor will be paid a firm lot prices, as specified in Annex B - Basis of Payment for a cost of \$\_\_\_\_\_ (provided at contract award). Customs duties are included and Applicable Taxes are extra.

Canada will not pay the Contractor for any design changes, modifications or interpretations of the Work, unless they have been approved, in writing, by the Contracting Authority before their incorporation into the Work.

**\*Payment will be made at the time form is printed and stored.**

### 7.7.2 Escalation

The prices and rates for Option Period 1 to Option Period 3 in section B of Attachment 1 to Part 3 – Pricing Schedule AND in section B of Annex B, Basis of Payment will be adjusted on the first day of each option year, by an amount established based on the percentage increase (decrease) in the Consumer Price Index (CPI) for Canada, Annual Average, All-Items (Not Seasonally Adjusted), published in Statistics Canada Catalogue, Table: 18-10-0005-01 (<https://www150.statcan.gc.ca/t1/tbl1/en/tv.action?pid=1810000501&pickMembers%5B0%5D=1.2&cubeTimeFrame.startYear=2020&cubeTimeFrame.endYear=2021&referencePeriods=20200101%2C20210101>), in accordance with the following formula:

$$\text{Escalation} = \left( \frac{A}{B} - 1 \right) \times 100$$

Where:

A = Annual average of the CPI for Canada, for the year ending immediately prior to the current contract year.

B = Annual average of the CPI for Canada, for the year ending a year prior to the current contract year.

Example:

In Option Period 1 of the contract starting April 1, 2025, the Initial Contract Period prices/rates would be increased by 3.36% based on the following calculation:

A = Annual Average CPI for the year 2023 = 141.6

B = Annual Average CPI for the year 2022 = 137.0

$$\text{Escalation} = \left( \frac{A}{B} - 1 \right) \times 100$$

$$\text{Escalation} = \left( \frac{141.6}{137.0} - 1 \right) \times 100$$

Escalation = 3.36% (rounded to 2 decimal places)

### 7.7.3 Authorized Travel and Living Expenses

Canada will not pay any travel or living expenses associated with performing the Work.

### 7.7.4 Limitation of Price

Canada will not pay the Contractor for any design changes, modifications or interpretations of the Work unless they have been approved, in writing, by the Contracting Authority before their incorporation into the Work.

### 7.7.5 Method of Payment - Monthly Payment

Canada will pay the Contractor on a monthly basis for work performed during the month covered by the invoice in accordance with the payment provisions of the Contract if:

- a. an accurate and complete invoice and any other documents required by the Contract have been submitted in accordance with the invoicing instructions provided in the Contract;
- b. all such documents have been verified by Canada;
- c. the Work performed has been accepted by Canada.

#### **7.7.6 Electronic Payment of Invoices – Contract**

The Contractor accepts to be paid using any of the following Electronic Payment Instrument(s):

- a. Direct Deposit (Domestic and International);

#### **7.7.7 Discretionary Audit - Non-commercial Goods and/or Services**

The estimated amount of profit included in the Contractor's price or rate certification is subject to audit by Canada, before or after payment is made to the Contractor under the conditions of the Contract. The purpose of the audit would be to determine whether the actual profit earned on a single contract if only one exists, or the aggregate of actual profit earned by the Contractor on a series of negotiated firm price and fixed-time rate contracts performed during a particular period selected, is reasonable and justifiable based on the estimated amount of profit included in earlier price or rate certification(s).

If the audit demonstrates that the actual profit is not reasonable and justifiable, as defined above, the Contractor must repay Canada the amount found to be in excess.

#### **Change 4**

Annex "B" – Basis of Payment has been replaced entirely by the attached.

**ALL OTHER TERMS AND CONDITIONS OF THE ABOVE RFP REMAIN UNCHANGED.**

**ATTACHMENT 1 TO PART 3 – PRICING SCHEDULE**

The prices specified below, when quoted by the Bidder, includes the total estimated cost of all travel and living expenses that may need to be incurred for:

- a. Work described in Part 6, Resulting Contract Clauses, of this bid solicitation required to be performed within the National Capital Region (NCR). The NCR is defined in the *National Capital Act*, R.S.C. 1985, c. N-4, S.2.
- b. Travel between the successful bidder's place of business and the NCR; and
- c. Services provided within 100km of the work locations identified in Annex A, Statement of Work;
- d. Any travel between the Contractor's place of business and the work locations identified in Annex A, Statement of Work; and
- e. The relocation of resources to satisfy the terms of the contract.

These expenses are included in the firm all-inclusive prices.

The inclusion of volumetric data in this document does not represent a commitment by Canada that Canada's future usage of the services described in the bid solicitation will be consistent with this data.

During the period of the Contract, for Work performed in accordance with the Contract, the Contractor will be paid as specified below.

\*Pricing must include the cost for printing, storing and shipping.

\*Bidders are only required to submit pricing for the Initial Contract Period (From date of contract to March 31, 2025).

\*Pricing for Option Period 1, Option Period 2 and Option Period 3 (April 1, 2025 to March 31, 2028) will be in accordance with Statistics Canada's posted Consumer Price Index: [Consumer price index portal \(statcan.gc.ca\)](http://www.statcan.gc.ca)

**A- Contract Period (From date of contract to March 31, 2025)**

**Initial Contract Period (From date of contract to March 31, 2025) –**
