TENDER ADDENDUM

Professional Services for the LeBreton Flats Plan of Subdivision SS013

January 16, 2023

ADDENDUM No. 3

This shall be read in conjunction with and shall form an integral part of the Tender / Proposal and Contract Documents.

Question #7: In reference to 5.14 Method of Payment, we request that the method of payment be revised to allow monthly invoicing based on the agreed workplan and approved progress by the NCC Project Lead.

Response #7: As noted in Section 5.14 of the RFP document, the “Payment schedule can be revised following contract award based on the proposed workplan, with agreement from both parties”. Upon request, the NCC will work with the successful proponent to refine the payment schedule to allow more frequent payments during the contract.
