

## ANNEX D- Mandatory Technical Criteria

**Evaluation Methodology** – The evaluation will be conducted by Representatives of Canada and will consider only the criteria provided. Mandatory requirements are identified by the word “must.” All mandatory criteria must be met or the offer submission will be deemed non-compliant. Failure to provide sufficient detail in the offer submission to evaluate the proposal against the mandatory criteria will also deem the offer non-compliant.

To avoid duplication and delays, Offerors should refer to different sections of their offers by identifying the specific paragraph and page number where the subject topic has already been addressed.
