Solicitation Amendment

Title: Veterans Online Caregiver Training Program

Solicitation Amendment 005

This amendment is raised to provide responses to bidder questions.

- Q8. In the description of the project, it indicates design, develop and delivery of the program. Does this mean the contractor would monitor/moderate the discussion boards and facilitate or would that be done by Veterans Affairs staff? If we were to put in a bid, I just want to understand the full scope.
- A8. Yes, the Contractor would be responsible for the design, development and delivery of the program which includes monitoring, and moderation of the discussion boards and facilitation of the program.

All other terms and conditions remain the same.
