AMENDMENT 001

Amendment 001 is raised to answer questions from industry.

Q1 - A firm price is requested for travel and expenses however the locations for sample collection is not provided.

A1 - The locations, frequency and costs for sample collection will be at the discretion of the bidder.

Q2 - Are we to select operators to contact or will NRCAN provide a list of potential contacts or locations for all locations to be sampled?

A2 - The bidder will be responsible for locations to be sampled as well as organizing operators.

Q3 - Are we collect samples from each province other than QC or we can select the provinces?

A3 - Core sample collection will be at the discretion of the bidder, the bidder can proposed the provinces of their choice.

Q4 - Do you expect as part of RFP proposal submission for proponents to identify locations and sites to be bored for samples?

A4 - The bidder should identify, to the best of their ability, their proposed approach for identifying, collecting and analyzing samples to meet the needs of the project.
