Item No Description

1 Clarification to Note #4 on drawing E01: provide new SQD I-line Panel with breakers on wall with support.

Provide and install 19mm plywood backing (paintable). Use adequate fasteners to secure plywood into existing wall structure. Paint plywood to match existing adjacent wall finish. Coordinate location with electrical drawing, dimensions of plywood to suit new electrical panel. Existing plaster wall finish and mud in room B27A is assumed to contain ACM. Refer to specification section 02 82 00 for procedures.

2 Attendance sheet attached.

3 Question:

Question -1 As part of the technical proposal it asks for us to present a preliminary construction schedule showing that we can meet the completion date identified in the tender package....I have looked several times and cannot find the anticipated completion date for construction.

Answer -1 Anticipated completion date : June 30th, 2023

4 Clarification Addendum #1:the French and English were combined for this posting.The English version begins on page 65 of 117.
