**Questions from SSC**

Following the 1-1 engagement sessions on the draft RFP, SSC is interested in understanding the various pricing and licensing models of your SaaS AWS platform and would encourage you to respond directly to Eric Vanasse by no later than February 16, 2023, for the following request.

1. What licensing models does your organization offer for the SaaS AWS product? Please complete the table below with the information requested.

<b>SaaS AWS Product Table</b>						
	<b>Licensing Model Name</b>	<b>Consumption Based (Metered) Y/N</b>	<b>Description</b>	<b>Period of License</b>	<b>Volumes</b>	<b>Features</b>
1.						
2.						
3.						
4.						
5.						
6.						
7.						

2. Do your pricing models allow for an adjustment both downward and upward of the number of licenses? If yes, on what frequency is the adjustment permitted?
3. What is your roadmap of licensing models and pricing plans for the SaaS Service?
