

ACAN no. 1000414720

An Advanced Contract Award Notice (ACAN) is a public notice indicating to the supplier community that a department or agency intends to award a contract for goods, services or construction to a pre-identified supplier, thereby allowing other suppliers to signal their interest in bidding, by submitting a statement of capabilities. If no supplier submits a statement of capabilities that meet the requirements set out in the ACAN, on or before the closing date and time stated in the ACAN, the contracting officer may then proceed with the award to the pre-identified Contractor.

1. Definition of requirement:

The Canada Border Service Agency (CBSA) has a requirement to rent an outdoor firing range facility for Border Services Officers' firearms training.

1.1 Objectives:

The CBSA requires rental services of a firearms range facility in Quebec in order to provide armed Border Services Officers with firearms training, as per prescribed standard policies.

1.2 Tasks and Deliverables:

The tasks and deliverables the Contractor must complete include, but are not limited to the following:

- Provision of firearms range for approximately 50 days per year.
- Provide safety procedures.

1.3 Range Requirements:

The following Range criteria are required to be provided by the Contractor:

- Washroom facilities with potable hot and cold running water.
- Range must allow for the discharge of lead 9mm (9 x 19) Calibre 147 Grain Jacket Hollow Point Ammunition.
- Use of CBSA-supplied silhouette targets, protective vests and duty holsters.
- Space to install a storage cabinet for miscellaneous range supplies or the Contractor will be required to supply secure storage space. CBSA must be able to secure storage space with a padlock.
- Free parking for a minimum of 12 CBSA vehicles.
- A minimum of 8 lanes with a shooting distance of 25 metres from the firing line to the target stand not including bullet traps.
- Range allows for passage of instructors behind shooters on firing line (minimum 4 feet depth to back wall).
- Range must allow lateral movement, parallel to the back-stop as well as movement at approximately a 45 degree angle to the back-stop.
- Range must allow for use of barricades and prone shooting positions.
- An area away from the firing line should be available for clean-up.
- On-site classroom or lunch room facilities.
- Indoor range must have an approved air exchange system with an approved test result for use.
- Provide confirmation of license to operate the range according to the Chief Firearms Office, Royal Canadian Mounted Police Federal Regulations and all applicable Guidelines/Legislation are met to operate a firearms range.

1.4 Constraints:

- Facility must be available to rent for full (8 hour).

- Range must be available Monday to Friday between 9:00-17:00 ET.
- CBSA staff must be the sole occupants of the range on the scheduled usage days, with no club members or members of the general public on the range.
- Firing range location must be within a distance of 50 km of the CBSA-Quebec Campus Office at 400 Place d'Youville, Montreal, QC.
- The Contractor must provide flexibility within their schedule to book time at various points during each month. As use is varied, dependent on CBSA training requirements, days will be scheduled at minimum 30-days in advance by CBSA. Requests to use the facility with less than 30-days' notice will be considered by the Contractor and use outside of previously prescribed hours may be accommodated based on availability.
- Facility must be inspected and approved for training use by the CBSA prior to contract issuance and on an annual basis.
- Should inclement weather that affects the safety of those operating on the range occur, CBSA will cancel range activities and will not be invoiced for the use. The CBSA will endeavor to provide advance notice when possible prior to cancelling range reservation(s).
