

**Canadian Nuclear Safety Commission  
 Bid Solicitation # 5000068763  
 Amendment 003 to RFP**

1. At ATTACHMENT 1 TO PART 3 – PRICING SCHEDULE, Section 7.0 **Calculation of Evaluated Financial Bid Price**

**DELETE: In its entirety**

**INSERT:**

**7. Calculation of Evaluated Financial Bid Price**

The evaluated financial bid price will be determined by adding its firm all-inclusive rates (CAD), Applicable Taxes excluded, for each of the periods identified, as per Table 1 below.

<b>Table 1</b>	
<b>Description</b>	<b>Sub-total</b>
Sub-total of Initial Contract Period	\$
Sub-total of Option Period 1	\$
Sub-total of Option Period 2	\$
Sub-total of Option Period 3	\$
<b>Total evaluated financial bid price</b>	\$

**Note to Bidders:** The proposed firm all-inclusive monthly rates for Clinical, Advisory and Extended Wellness Services should be based on approximately 1000 employees. Pricing must also account for minor (+/- 5%) fluctuations in employee numbers.

Sub-total of Option Period 3: [total 1) + total 2) + total 3)]		\$

**Note to Bidders:** Pricing for Option periods 4-9 will be based on pricing from the previous year's firm all-inclusive rates and adjusted annually in accordance with Annex D, Basis of Payment.

2. At Annex D- Basis of Payment, sub-section 1.2 Option to Extend the Term of the Contract

**DELETE:** Tables for Option Period 4 through 9

**INSERT:**

**1.2.1 ECONOMIC PRICE ADJUSTMENT (EPA)**

1.2.1.1 The Provisions of this article apply to the firm all-inclusive rates set out for Option Periods 4 through 9 below.

1.2.1.2 Beginning in Option Period 4 of the services, the applicable firm all-inclusive rates for the services outlined in 1), 2) and 3) of the table will be escalated for the 12-month period in accordance with the provisions of this article. The same methodology will apply to all subsequent periods that the Contract is in place, and the Basis of Payment will be amended to reflect the services firm all-inclusive rates.

1.2.1.3 The firm all-inclusive rates for the services in the Option Period 4 table, and all subsequent Option Period firm all-inclusive rates will be calculated using the previous year's firm all-inclusive rates in the Basis of Payment adjusted annually, at the time of exercising the Option Period, based on the Employee

wages by industry for Health care and social assistance (Statistics Canada. [Table 14-10-0064-01 Employee wages by industry, annual](#)) released Statistics Canada up to a maximum of 3.5%.

**1.2.2 Annual Adjustments to Firm All-Inclusive Rates**

1.2.2.1 The Contractor should notify the Contracting Authority in writing of the applicable EPA, no later than 30 calendar days prior to the commencement of the new services' year. The Contracting Authority will in turn verify the information and amend the Contract accordingly to reflect the revised firm all-inclusive rates.

1.2.2.2 Until such time as the adjustments to firm all-inclusive rates are made through a Contract amendment, the rates valid for the last 12-month period will be used. The same process will apply for each 12-month period and any option year exercised.

**1.2.3 Discontinuation of Escalation Indices**

1.2.3.1 If any of the official Government(s) EPA indices set out in the Contract are discontinued, the parties should immediately thereafter agree to establish replacement indices or formulate adjustments consistent with those set forth in the Contract.

<b>Option Period 4: 1 year (anticipated dates from April 1/27 to March 31/28)</b>
