## **Amendment 005**

This amendment is raised to:

- A. Answer question from bidders;
- B. Make changes to the tender documents

### **A. Answer question from bidders**

**Q1.** In reference to the wall composition W1 received with amendment no. 002, the description does not match the wall section details of the drawings, example plan A404. On the section, an OSB on each side is added as well as a 25mm rigid insulating panel and a "furring channel". Which one should we follow?

**A1.** As noted in Addendum #2, "W1 wall assembly noted on A102 to be revised as follows and to supersede all exterior wall assemblies shown in all details".

**Q2.** In reference to detail 2, 3 and 4 on A401, a "tyvek wrb" is requested around the openings, usually this is a self-adhesive membrane, is this a mistake?

**A2.** Yes. Tyvek wrb can be omitted.

**Q3.** In reference to detail 4 on A404, a "38mm fire blocking" is requested for the continuity of the firewall separation, can you specify the product?

**A3.** Acceptable materials are indicated in NBC 9.10.16.3.

**Q4.** In reference to amendment no. 002, you provide models of shelving to be supplied, on the plans the exact location and quantity is not listed, is it possible to detail your needs?

**A4.** It is the Contractor's responsibility to identify quantities to provide as much shelving as possible in the area indicated on A102.

### **B. Tender Package/ Solicitation Revisions**

In: ***Final specification documents 2022\_4\_14 and 21109 Resolute garage\_IFT***

Add this document that modify the Specifications and Drawings:

- Addendum 5\_TenderRFIResponse02\_2023-02-28

**ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED.**
