

NOTICE OF PROPOSED PROCUREMENT

Description of the Requirement:

The Department of national Defence (DND), specifically the Defence Research and Development Canada (DRDC) has a requirement for the provision of a mobile terminal for Ku-band satellite operations. The requirements are to be delivered to the following address:

National Defence Headquarters
101 Colonel By Drive
Ottawa, Ontario
K1A 0K2

The equipment must meet the requirements detailed in the Statement of Requirement (SOR) attached as an annex to the solicitation document.

All the deliverables must be ready to be picked up for shipping within 6 weeks following Contract award.

Goods and Services Identification Number GSIN: N5985 Antennas, Waveguides and Related Equipment

Level of Security:

There is no security requirement applicable to the Contract.

Applicable Trade Agreements:

Canada Free Trade Agreement (CFTA)

Comprehensive Land Claims Agreement:

There will be no set-aside for aboriginal businesses. This procurement is not subject to a Comprehensive Land Claims Agreement.

Requirement Details:

It is DND's intention to award a single contract for this requirement.

Bidders are to refer to the Request for Proposal (RFP) for the detailed requirement.

The basis of selection shall be the compliant Bidder that offers the lowest-cost compliant proposal.

DND reserves the right not to award a Contract, regardless of the proposals received.

Where this notice and the RFP differ, the RFP shall prevail.

Documents may be submitted in either official language of Canada.

Canada retains the rights to negotiate with suppliers on any procurement.

See solicitation documents.
