

TENDER ADDENDUM

Professional Services in Environmental Impact Assessment and Ecological Services ES022

March 6, 2023

ADDENDUM No. 1

The following shall be read in conjunction with and shall form an integral part of the Tender / Proposal and Contract Documents:

- The solicitation closing date and time are being extended from March 22, 2023 at 3:00 PM EDT to **April 5, 2023 at 3:00 PM EDT.**
- **Section 6.2.3 Evaluation and Rating – Example Project (Rated Requirement 3B):**
Delete: 20%: Sample project examples do not relate to this requirement
Replace by: 20%: Sample project example is not related to this requirement
Delete: 40%: Sample project example is not related to this requirement
Replace by: 40%: Sample project is somewhat related to this requirement

The following questions and answers shall be read in conjunction with and shall form an integral part of the Tender / Proposal and Contract Documents:

- **Question 1:** Regarding Rated Requirement 3, NCC requests example projects that “demonstrate that over at least the past three (3) years, at a minimum, the senior and intermediate personnel proposed for this work have participated in a variety of Ecological Characterisations and Impact Assessments and all Environmental Consulting Services (ECS).” Please clarify that NCC is looking for projects to cover the past three (3) years but older projects will also be accepted.

Answer 1: The NCC will accept example projects that are older than 3 years. However, the Proponent should provide at least 1 example project which demonstrates experience within the last 3 years.

- **Question 2:** Regarding M4 - One (1) team member must have a minimum of five (5) years of specific Federal Impact/Environmental Assessment process experience. Does this team member need to be part of the core team presented in Rated Requirement 4?

Answer 2: Yes, this team member must be part of the core team presented in Rated Requirement 4 and must not be a sub-contractor.
