TENDER ADDENDUM

HOG'S BACK SWING BRIDGE MAINTENANCE SERVICES CONTRACT

Tender # MA064

March 14, 2023

ADDENDUM No. 3

The following shall be read in conjunction with and shall form an integral part of the Tender / Proposal and Contract Documents:

- Q1. Is there current remote access to the PLC software to view and troubleshoot any issues?
- If there is, will we have access?
 - If there is not:
 - a. Can we install this remote access should we be successful with the tender?
 - b. Is there Internet available on site?
- A1. There is no remote PLC access to view status or for troubleshooting at Hog's Back.
- a. Yes, with the PLC that was provided at Hog's Back, the NCC can easily add remote access.
 - b. No, there is presently no Internet service at the bridge site. Probably would not be a major issue to add.

All other terms and conditions remain the same.
