2.3 STANDARD INSTRUCTIONS

2.3.1 The [2003](https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual/1/2003/26) (2022-03-29) Standard Instructions - *Goods or Services - Competitive Requirements* (https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual/1/2003/26), are incorporated by reference into and form part of the bid solicitation.

2.3.2 Except in the case of "PWGSC's Integrity Database", where referred to, the words "Public Works and Government Services Canada" or "PWGSC" are to be substituted to read "**Foreign Affairs, Trade and Development Canada**" or "**DFATD**"; **all references to facsimile number of "819-997-9776" are deleted**; all references to "**Canada Post Corporation's (CPC) Connect service**" are deleted; and the words "Contracting Authority" are to be substituted to read "**Canada's Representative**".

This subsection is deleted in its entirety

2.3.4 Subsection 05 (2018-05-22) Submission of Bids, paragraph 4 is amended as follows:

Delete: sixty (60)

Insert: one hundred and twenty (120)

This subsection is deleted in its entirety and is hereby replaced by the following:

A bid received after the closing date and time, but before the contract award date may be considered, provided the delay can be proven by the Bidder to have been due solely to a delay in delivery that can be attributed to incorrect handling by Canada, after the bid has been received at the location stipulated on page one (1).

This subsection is deleted in its entirety and does not form part of the RFP. Canada does not accept receipt of bid by means of a facsimile or by Canada Post Corporation's (CPC) Connect service.

2.4 SUBMISSION OF BIDS

- 2.4.1** Bids must be received by DFATD at the electronic address identified and by the date and time on page 1 of the Request for Proposal (RFP). Bids must NOT be sent directly to Canada's Representative. Canada will not be responsible for bids delivered to a different address. Bids sent directly to Canada's Representative may not be considered.

The e-mail address indicated on page one (1) of the RFP is for the purpose of bid submission and enquiries concerning that RFP. No other communications are to be forwarded to this address.

- 2.4.2** Attachments should be in a Portable Document Format (.pdf) software application or Microsoft Office version 2003 or greater.

Bidders should follow the specifications format instructions described below, during the preparation of their bid:

- minimum type face of 10 points;
- all material should be formatted to print on 8.5" x 11" or A4 paper;
- for clarity and comparative evaluation, the Bidder should respond using the same subject headings and numbering structure as in this RFP document.

More than one e-mail can be sent if necessary (if the same file is sent twice, the latest file received will be used for evaluation purposes and the previous one(s) will not be opened).

Canada will take no responsibility if a bid is not received on time because the e-mail was refused by a server for the following reasons:

- the size of attachments exceeds 10 MB;
- the e-mail was rejected or put in quarantine because it contains executable code (including macros);
- the e-mail was rejected or put in quarantine because it contains files that are not accepted by our server, such as, but not limited to, .rar, encrypted .zip, encrypted .pdf, .exe., etc.

Links to an online storage service (such as Google Drive™, Dropbox™, etc.) or to another website, a File Transfer Protocol (FTP) service access, or any other mean of transferring files, **will not** be accepted. All documents submitted must be attached to the e-mail.

It is strongly recommended that Bidders confirm with Canada's Representative that their complete bid was received. For this same reason, it is recommended that in cases where more than one (1) e-mail containing documents comprising the quote is submitted, the emails be numbered and the total number of emails sent in response to the RFP also be identified.

- 2.4.3** Canada requires that each bid, at closing date and time or upon request from Canada's Representative, be signed by the Bidder or by an authorized representative of the Bidder. If any required signature(s) are not submitted as requested, Canada's Representative may inform the Bidder of a time frame within which to provide the signature(s). Failure to comply with the request of Canada's Representative and to provide the signature(s) within the time frame provided may render the bid non-responsive. If a bid is submitted by a joint venture, it must be in accordance with section 17 Joint Venture, of [2003](#) (2022-03-29) *Standard Instructions - Goods or Services - Competitive Requirements*.
- 2.4.4** It is the Bidder's responsibility to:
- (a) obtain clarification of the requirements contained in the RFP, if necessary, before submitting a bid;
 - (b) prepare its bid in accordance with the instructions contained in the RFP;
 - (c) submit by closing date and time a complete bid;
 - (d) send its bid only to the address specified on page 1 of the RFP;
 - (e) ensure that the Bidder's name, and the RFP number are clearly visible on the attachment(s) containing the bid; and,
 - (f) provide a comprehensible and sufficiently detailed bid, including all requested pricing details, that will permit a complete evaluation in accordance with the criteria set out in the RFP.
- 2.4.5** Proposals received on or before the stipulated RFP closing date and time will become the property of Canada. All proposals will be treated as confidential, subject to the provisions of the Access to Information Act (R.S. 1985, c. A-1) and the Privacy Act (R.S., 1985, c. P-21), and other applicable law.
- 2.4.6** Unless specified otherwise in the RFP, Canada will evaluate only the documentation provided with a Bidder's proposal. Canada will not evaluate information such as references to Web site addresses where additional information can be found, or technical manuals or brochures not submitted with the proposal.
- 2.4.7** A bid cannot be assigned or transferred in whole or in part.

2.5 COMMUNICATIONS, ENQUIRIES, SUGGESTED IMPROVEMENTS

- 2.5.1** All enquiries and suggested improvements must be submitted in writing only to Canada's Representative at the electronic address identified on page 1 of the solicitation, no later than 5 business days before the bid closing date. Enquiries and suggestions received after that time may not be answered.
- 2.5.2** Bidders should reference as accurately as possible the numbered item of the RFP to which the enquiry relates. Care should be taken by Bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that the Bidder do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

2.5.3 Should any Bidder consider that the specifications or Statement of Work contained in this RFP and Draft Contract can be improved technically or technologically, the Bidder is invited to make suggestions in writing. The Bidder must clearly outline the suggested improvements as well as the reason for the suggestion. Suggestions which do not restrict the level of competition nor favour a particular Bidder will be given consideration. Canada reserves the right to accept or reject any or all suggestions.

2.6 APPLICABLE LAWS

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario, Canada.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Bidders.

2.7 ENTIRE REQUIREMENT

The RFP documents contain all the requirements relating to the RFP. Any other information or documentation provided to or obtained by a Bidder from any source are not relevant. Bidders should not assume that practices used under previous contracts will continue, unless they are described in the RFP. Bidders should also not assume that their existing capabilities meet the requirements of the RFP simply because they have met previous requirements.

2.8 DEBRIEFINGS

Bidders may request a debriefing on the results of the RFP process, within 15 working days upon notification of the process results. The debriefing may be in writing, by telephone or in person.

2.9 CHALLENGES

The Canadian International Trade Tribunal (CITT) was established by the Government of Canada to provide a challenge mechanism for suppliers to raise complaints regarding the solicitation or evaluation of bids, or in the awarding of contracts on a designated procurement, in accordance with applicable Trade Agreements. You may raise concerns regarding the solicitation, evaluation or the resulting award, with the DFATD representative in a first attempt to address the concern or if not satisfied, with the CITT by contacting them toll free by telephone at 855-307-2488, or by visiting their website at <http://www.citt.gc.ca/>.

2.10 NO PROMOTION OF BIDDERS INTEREST

Bidders will not make any public comment, respond to questions in a public forum or carry out any activities to publicly promote or advertise their interest in this project.

2.11 LEGAL CAPACITY

The Bidder must have the legal capacity to contract. If the Bidder is a sole proprietorship, a partnership or a corporate body, the Bidder must provide, if requested by Canada's Representative, a statement and any requested supporting documentation indicating the laws under which it is registered or incorporated together with the registered or corporate name and place of business. This also applies to Bidders submitting a proposal as a joint venture.

2.12 INCAPACITY TO CONTRACT WITH GOVERNMENT

By submitting a proposal, the Bidder certifies that neither the Bidder nor any of the Bidder's affiliates has ever been convicted of an offence under any of the following provisions. Canada may reject a proposal where the Bidder, including the Bidder's officers, agents and employees, has been convicted of an offence under the following provisions of the Criminal Code:

- A. paragraph 80(1)(d) (*False entry, certificate or return*), subsection 80(2) (*Fraud against His Majesty*) or section 154.01 (*Fraud against His Majesty*) of the [Financial Administration Act](#); or
