ADDENDUM No. 4

The following questions and answers shall be read in conjunction with and shall form an integral part of the Tender / Proposal and Contract Documents:

- **Question 18:** In Section 5.2.1 Format and Quantities, it is noted that “Individual example projects should not exceed 1 page.” Is the NCC referring to the corporate projects required for Rated Requirement 3? If this is a 1-page limitation on the corporate projects, would the NCC consider allowing 2 pages per project as long as the entire technical proposal is 35 pages in total (CV’s excluded)?

Answer 18: The NCC is referring to the project examples under Rated Requirement 3. The NCC accepts to allow 2 pages per example project as long as the entire technical proposal does not exceed 35 single letter sized pages or 18 single executive pages (excluding CVs).
