2 STAGE SELECTION PROCESS

IMPORTANT NOTICE TO BIDDERS

TWO STAGE SELECTION PROCESS

This is the first stage (Stage one) of a two-stage competition: the first stage will evaluate the qualifications of all bidders; second stage (Stage two) will invite the qualified bidders to provide a financial bid on the project based on the specifications and drawings. Upon award of contract in Stage Two the pre-qualification list will expire and will not be used in any other solicitation.

LIST OF PRE-QUALIFIED BIDDERS:

A list of pre-qualified bidders from Stage One will not be released. Contract award notice of the successful bidder of Stage Two will be posted on canadabuys.canada.ca

BIDS RECEIVED BY FAX AND EMAIL WILL BE ACCEPTED AS OFFICIAL.

BIDS RECEIVED IN-PERSON OR BY COURIER WILL NOT BE ACCEPTED.

The only acceptable email address for responses to bid solicitations is soumissionsami-bidsrpc@pc.gc.ca. Bids submitted by email directly to the Contracting Authority or to any email address other than soumissionsami-bidsrpc@pc.gc.ca will not be accepted.

The only acceptable facsimile for responses to bid solicitations is 1-855-983-1808.

The maximum email file size that Parks Canada is capable of receiving is 15 megabytes. The Bidder is responsible for any failure attributable to the transmission or receipt of the emailed bid due to file size.

The Bidder should be cognisant of the size of the email as a whole, and not only the attachments. Please take into consideration that some attachments, when sent, may be resized during the email transfer. If the email size is too large, the Bidder should send the bid in multiple emails properly labeled with the solicitation number, project name, and indicate how many emails are included (ex. 1 of 2).

Emails with links to bid documents will not be accepted. Bid documents must be sent as email attachments.

DIRECT DEPOSIT

The Government of Canada has replaced cheques with direct deposit payment(s), an electronic transfer of funds deposited directly into a bank account. New vendors who are awarded a contract will be required to register their direct deposit information with Parks Canada to receive payment.

Additional information on this Government of Canada initiative is available at:

SPECIAL INSTRUCTIONS TO BIDDERS (SI)

TWO STAGE SELECTION PROCESS

This is a two stage selection process. Bidders responding to this selection process are requested to submit a bid in two stage. Stage One bid covers only the qualifications and experience of the Bidder.

Following the evaluation of the submissions, Bidders will be advised of their qualification result and the status of the tender. Stage Two Bidders will be provided an INVITATION TO TENDER (ITT) for the financial evaluation in relation to the specifications and drawings. Please refer to sample ITT attached (Appendix 2). Please note that the ITT used in Stage 2 of this process will be a Single Envelope ITT with a Low Price Basis of Selection. The attached sample is only being provided for bidders to reference the General Conditions.

BIDDERS' CONFERENCE

A bidders' conference will be held via teleconference on **April 03, 2023**. The conference will begin at **1:30pm CST**. The scope of the requirement outlined in the bid solicitation will be reviewed during the conference and questions will be answered. It is recommended that bidders who intend to submit a bid participate.

Bidders are requested to communicate with the Contracting Authority before the conference to confirm participation and obtain the dial-in coordinates. Bidders should provide, in writing, to the Contracting Authority, the name(s) of the person(s) who will be participating and a list of issues they wish to table no later than **March 31, 2023, at 1:30pm CST**

Any clarifications or changes to the bid solicitation resulting from the bidders' conference will be included as an amendment to the bid solicitation. Bidders who do not participate will not be precluded from submitting a bid.

ENQUIRIES DURING THE SOLICITATION PERIOD

1. Enquiries regarding this bid must be submitted in writing to the Contracting Officer named on the Invitation to Tender - Page 1 at e-mail address kenneth.lacanilao@pc.gc.ca. Enquiries should be received no later than five (5) business days prior to the date set for solicitation closing to allow sufficient time to provide a response. Enquiries received after that time may result in an answer NOT being provided.
2. To ensure consistency and quality of the information provided to Bidders, PCA will examine the content of the enquiry and will decide whether or not to issue an amendment.
3. All enquiries and other communications related to this bid sent throughout the solicitation period must be directed **ONLY** to the Contracting Authority named in paragraph 1. above. Failure to comply with this requirement may result in the bid being declared non-compliant.

STAGE 1

Appendix 1 – Stage One Qualification Requirements must be submitted **ONLY** to the PCA Bid Receiving Unit by the date, time and place indicated on page 1 of the Invitation to Qualify. The PCA will not assume responsibility for submissions directed to any other location.

The first page of all amendment(s) that have been duly signed/initialed verifying proof of receipt or written acknowledgement of receipt of amendments should be submitted with the bid but may be submitted afterwards. If any amendment(s) are not acknowledged as requested, the Contracting Authority will inform the Bidder of a time frame within

which to provide the information. Failure to provide the documentation within the time frame specified will render the bid non-responsive.

COMPLETION OF SUBMISSION

The Bidder shall base the submission on the applicable documents listed in the Special Instructions to Bidders. It is the responsibility of the Bidder to obtain clarification on any terms, conditions or technical requirements contained in this document.

DEBRIEFINGS

The debriefing may be in writing, by telephone or in person.

APPENDIX 1 – STAGE ONE QUALIFICATION REQUIREMENTS

DESCRIPTION:

Parks Canada requires the replacement of the Dixon Bridge over the Frenchman River located in Grasslands National Park in the Province of Saskatchewan. Work includes the design, construction, maintenance, and removal of a temporary detour, including a clear-span temporary bridge (CL-625), demolition and environmentally friendly disposal of the existing timber bridge, construction of a new concrete and steel short-span bridge, related roadworks including grade raise, and site restoration.

This bridge is located in areas of critical habitat for multiple species at risk, as well as being under an Emergency Protection Order for Sage Grouse. This area is also rich in archaeological finds. Mitigations will be included to minimize both environmental and archaeological impacts.

Work on this Project is required to be completed by December 31, 2023. The site will be made available to the Contractor in August 2023.

Note that the Walker Bridge also located in Grasslands National Park is being replaced at the same time. This project only includes the Dixon Bridge; the Walker Bridge is posted as a different project. Both Phase 1 documents will be required to be submitted if a bidder is interested in bidding on both bridges.

Bidder Instructions: The Bidder is requested to respond to the Stage One Evaluation Criteria using the tables below.

BASIS OF SELECTION:

A submission must comply with the mandatory requirements to be declared responsive in Stage One.

MANDATORY REQUIREMENTS:

At Stage One bid closing time, the Bidder must:

- a) comply with the following Mandatory Requirements; and
- b) provide the necessary documentation to support compliance.

All Mandatory requirements should be completed and submitted prior to closing with sufficient detail to demonstrate compliance. Failure to demonstrate compliance with all mandatory requirements via the original submission, may result in the submission being deemed non-responsive. At any time in the evaluation stage should PCA officials identify any minor irregularities or omissions the Contract Authority may inform the proponent of a time frame within which to provide a clarification or missing information. Failure to comply with the request of the Contracting Authority within the time frame provided will render the submission non-responsive.

M1: Achievements of Bidder and identified Key Sub contractors on Projects in Vehicular Bridge Construction

Select two (2) reference projects undertaken by the Bidder within the last 7 years for each **mandatory** requirement. A response to each **mandatory requirement** is required. Only the first two (2) projects listed for each, in sequence, will receive consideration and any others will not receive consideration.

The evidence provided by the bidder may be verified. PCA reserves the right to verify information for completeness and accuracy and to confirm reference satisfaction with services provided.

Bidders are requested to indicate (Yes/No) in the right column below, however simply stating Yes is not sufficient. The Bidder must provide substantiation as outlined in the mandatory requirements.
