### **AMENDMENT NO. 002**

This amendment is raised to answer bidders' questions.

#### **QUESTIONS AND ANSWERS**

**Question 5:** We respectfully request a two (2) week extension to the current submission due date, to June 15th, as the level of effort required to respond to the RFP's requirements is significant. An extension would provide more Bidders with the requisite development time to respond with quality submissions.

**Answer 5:** Your request has been considered but the bid closing date is not being further extended at this time.

**Question 6:** Regarding MTC2, can the Crown confirm one (1) project can be used to demonstrate its experience providing digital services pertaining to all the 10 functional areas.

**Answer 6:** Confirmed

**Question 7:** Regarding RTC2, can the Crown confirm that one (1) project can be used to demonstrate experience in all 4 functional areas and that would achieve the maximum 80 points, 20 points for each functional area.

**Answer 7:** That is incorrect. Above and beyond the projects identified in the Bidder's response to MTC2, points will be allocated for one additional project for each of the four functional areas specified in RTC2 (up to a maximum of four additional projects). Each project that meets the MTC2 requirements will be awarded 20 points (maximum of four projects). Points will be allocated once per functional area.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
